85 involved projects funded under FET and the EIC Pathfinder Pilot

■ FET OPEN ■ FET PROACTIVE ■ FET FLAGSHIP

40 events
121 Future Board posts

#EICFTW on Twitter

Online engagement: a total of 839 mentions recorded in *September 2019* with 217 of these original mentions reaching more than 46,157 *potential audience; 210 unique profiles made a total of 623 re-shares with a *potential spread of mentions to an additional 1,384,236 people

Imagine if ...

robots learn the ways of plants and sense what's wrong with our planet from underneath.

Plantoid

Future Tech Week (2020) *the EIC Pathfinder/FET Celebration*

Objective

Raise awareness of the FET legacy to the EIC Pathfinder and its innovative results
→ The EIC Pathfinder/ FET community contribution to the current EC's priorities (Green Deal, Digital Strategy, Health)

Who are the key actors?

FET and EIC Pathfinder researchers, innovators & policymakers

Who is our target audience?

Everyone!

Future Tech Week (2020) *the EIC Pathfinder/FET Celebration*

The Future Tech Week provides virtual exhibition spaces and present EIC Pathfinder/FET innovative results

How to contribute: <http://futuretechweek.fetfx.eu/>

By sharing knowledge & experiences coming from FET PROJECTS during the R&I Days - **all week**, through:

- Videos** ([Spotlight videos](#), Video Interviews, light videos, live demonstrations)
- Online events** (webinars, roundtables, podcasts, etc.)
- Documents** (Publications, Photos, Links, etc.)
- Twitter or Instagram Posts** (Use the hashtag [#EICFTW](#))

You can use what you have OR share novel results!
